After a half century spent in the laboratory crowned with high honors for his many world-famous discoveries the celebrated physician

Miss Clariessa Kerby and her Marvelous Growth of Hair.

chemist at the head of the great Altemheim Medical Dispensary, has just made the startling announcement that he has produced a compound that grows hair on any bald head. The doctor makes the claim that after experiments, taking years to complete, he has at last reached the goal of his ambition. To the doctor all heads are alike. There are none which cannot be cured by this remarkable remedy. The record of the cures already made is truly marvelous and were it not for the high standing of the great physician and the convincing testimony of thousands of citizens all over the country it would seem too miraculous to be true.

There can be no doubt of the doctor's earnestness in making his claims nor can his cures be disputed. He does not ask any man, woman or child to take his or anyone else's word for it, but he stands ready to send free trial packages of this great hair restorative to anyone who writes to him for it, enclosing a 2 cent stamp to prepay postage. In a single night it has started hair to growing on heads bald for years. It has stopped falling hair in one hour. It never fails no matter what the condition, age or sex. Old men and young men, women and children all have profited by the free use of this great new discovery. If you are bald, if your hair is falling out or if your hair eyebrows or eyelashes are thin or short, write to the Altemheim Medical Dispensary 2 cent stamp to prepay postage for a free package and in a short time you will be entirely restored.
